EDUCATION

J.J College of Engineering and Technology, Ammapettai, Tiruchirappalli.
Bachelor of Technology (Information Technology)
2020-2024

Sri Balaji Vidyalaya Matric. Hr. Secondary school, Tiruchirappalli.   HSC
June 2019-March 2020

Raj Vidyalaya Bhavan Matric. Hr. Secondary school, Tiruchirappalli. SSLC
June 2017-March 2018

PROJECTS

ATM Banking System - Built using Python:

I developed a console-based ATM banking system using the Python programming language. The system allows users to perform basic operations such as checking account balance, withdrawing and depositing money, and changing the PIN. The system does not use any external database or files to store user data, but rather uses Python functions and variables to simulate the ATM functionality.

Student Website for Online Course Registration - Built using HTML, CSS, PHP

I created an online course registration system using HTML, CSS, JavaScript, and PHP. The system allows students to register for courses using a pin code provided by the admin, and view their profile and enrolled courses. The system also allows the admin to manage student records, add or delete courses, and export approved registrations as CSV files. The system uses a MySQL database to store student and course data. The system is user-friendly and can be accessed from any web browser.

Tic Tac Toe Game – Built using Android SDK

This is a classic game that has been enjoyed by people of all ages for centuries. While playing this game, you can learn how to use buttons, layouts, and event listeners in Android.

SKILLS

- Python Programming
- SQL Programming
- Java Programing (Basic)
- Web Development
- Full Stack Development
- Excel
- Wordpress

CERTIFICATION

Eduprep Certified **Python Developer,**
Chris Saxon Certified **SQL Programmer,**
Guvi Certified **Full Stack Developer in Python Programming**

INTERNSHIP

- Completed an intern in **Android Development** by **NSIC**.

LANGUAGES

- English
- Tamil

HOBBIES

- Playing indoor games
- Photography
- Learning Languages
- Community involvement
